RE: 2010 Recreation Grants EO 05-05 Compliance
List of Exempted Projects – State Grants

Dear Dr. Brooks:

I am writing with information on projects recently awarded funding by the Recreation and Conservation Funding Board (RCFB) and Salmon Recovery Funding Board when each met to consider projects in the following programs:

- Aquatic Lands Enhancement Account Program
- Boating Infrastructure Grants
- Firearms and Archery Range Recreation Program
- Land and Water Conservation Fund
- Recreational Trails Program
- Salmon Recovery
- Washington Wildlife and Recreation Program.

As noted in the attached table, and as described in the April 2010 programmatic agreement between DAHP and RCO, we have determined that these projects are exempt from further consultation with your agency. Please let me know if you concur with these exemptions or would like more information. If you would like to see the full listing of projects considered for funding, including those on which we are now processing cultural resources information just let me know.

I may be reached at (360) 902-3008 or Greg.Lovelady@rco.wa.gov.

Sincerely,

Greg Lovelady
Grant Services Program Manager
