RE: Nason Creek Lower White Pine Alcove Acquisition (#11-1372A)

Dear Ms. Fleming:

Thank you for your application to the Habitat Conservation Plans Tributary Committees' General Salmon Fund. The Committees members recognize the amount of time and effort required to complete the proposal. After careful review of your proposal, the Rocky Reach Tributary Committee has chosen to contribute \$44,700 to your project—Congratulations!

As a condition of this funding, the Committees must approve any restoration actions on these properties.

Becky Gallaher will contact you to discuss the HCP TC/Sponsor Agreement. The Committees appreciate your time in the development of the proposal. If you have any questions or need additional information, please contact me at (208) 321-0363 or (208) 867-2889, or Becky at (509) 661-4814.

Yours sincerely,

Tracy Hillman, Ph.D.
