

RCO Hazardous Substances Certification¹

The Chelan-Douglas Land Trust, as the recipient of funding assistance specified in RCO Project Agreement #08-2060A titled Lower Icicle Creek Habitat Conservation does hereby give assurance that it does not know and has no reason to know that any hazardous substance, the release or threatened release of which has resulted in or contributed to the need for remedial action, was released or disposed of, in or at the East Leavenworth Road Parcel B (the "Stump Hole"), AFN 241713340075, property or properties that are included in the above-referenced Project Agreement. The Chelan-Douglas Land Trust further warrants that it has obtained representations and warranties concerning the environmental condition of the property from the seller and has inspected the property to the scope and extent described in the attached (check applicable):

- ☒ *Environmental Site Assessments per American Society for Testing and Materials (ASTM) standards : Environmental Site Assessment by Cascade Technical Services dated December 5, 2011.*
- ☐ *All Appropriate Inquiries per U.S. Environmental Protection Agency standards, or*
- ☐ *RCO Property Assessment Checklist [provided in Appendix M].*
