LANDOWNER DONATION LETTER

To: Island County

I make the following statement with regards to the sale of my property on Camano Island in December 2008.

My family trust sold the property, consisting of two parcels (Island County Parcel #'s R23115-362-4290 and R23115-410-4730), to Island County to create a community park. The sale included a purchase price of \$894,588.59, and a donated value of the remaining property value.

I was aware at the time of the sale of the appraised value for the property of \$1,182,000.00. My family trust agreed to the purchase price and of our own free will donated the remaining property value, the difference between the appraised value and the sale price, (\$287,411.41) to Island County so that this property could become a community park.

I am aware that this statement is needed for grant funding to pay for the transaction.
