Dear RCO;

I am writing this letter in support of the Friendly Village-Bear Creek Reach 6 Stream Restoration project. EarthCorps is supporting this project by donating 110 mesh plant protectors 5" x 36" valued at \$0.66 each and 110 bamboo poles valued at 0.15 each for a total donation of \$89.10 to this project.

EarthCorps has partnered with the Adopt-A-Stream Foundation on numerous successful riparian planting projects in the past. We hope to continue this partnership in the Bear Creek Watershed.

Sincerely,

Rob Anderson
Senior Project Manager
