

Individual SRFB Project Review Panel Technical Advisor 5th Round Project Comments Form

Lead Entity: Chelan County
Project Sponsor: Chelan County
Project Name: Peshastin Creek Fish Barrier Removal
Project Number: 04-1509 R
Project Location:
Project Type: Restoration

Please refer to Manual 18, Appendix C, for the criteria for projects that are not considered technically sound. In the "why" box explain your reason for selecting this as a project of concern.

Please check the appropriate box.

1. Is this a "project of concern" according to the SRFB's criteria? Y ☐ N ☒
Why?

The sponsor has provided the additional information requested by the SRFB Technical Advisors.

2. If YES, what would make this a technically sound project according to the SRFB's criteria?

3. If NO, are there ways in which this project could be further improved?

4. Other comments.
