

APPLICATION: 15-1059 PLN, BEAR CREEK REACH 6 RESTORATION - PH II DESIGN

Sponsor: Adopt A Stream Foundation

Program: Salmon State Projects

Status: Application Submitted

APPLICATION REVIEW**LINKS TO ADDITIONAL INFORMATION**[Restoration Projects - Manual 5](#)[Long Term Obligations - Manual 7](#)[Salmon Grants \(Manual 18\)](#)[Appendix G: Partner Contribution Form](#)[Appendix F: Landowner Acknowledgement Form](#)[Appendix E: Barrier Information Forms](#)[Grant Applicant's To-Do-Lists](#)[Salmon Grant Applicant's To-Do-List](#)**PROJECT DETAILS**

Page	Grant Manager Comment
Project Description	Permit applications should be submitted after preliminary design is complete. The final designs should reflect permit agency requirements, and permits should be near final... if not secured by the end of this project.

COSTS

Page	Grant Manager Comment
Restoration Cost Estimates	Need to refine the numbers to align to the attachments.
Cost Summary	Please edit as necessary to reflect your cost estimate attached to prism.

APPLICATION QUESTIONS

Page	Grant Manager Comment
Restoration Questions	No structures will be altered? I thought there was a foot bridge mentioned earlier?

PROJECT PERMITS

Page	Grant Manager Comment
Project Permits	Permits will be determined through this design project.

ATTACHMENTS

Page	Grant Manager Comment
Attachments	The cost estimate does not align to the RFP total not to exceed \$40K. Do you have other funding for this project outside prism? You might edit photo titles to be more descriptive?

SUBMIT APPLICATION

Page	Grant Manager Comment
Submit Application	Thanks for an excellent proposal! Just need a slight refinement to your cost estimate because the cultural resources estimate looks like \$6K and the design consultant is \$40K -- we need to be sure you can afford the \$10K admin and the \$5K permits too.
