

HAZARDOUS SUBSTANCES CERTIFICATION

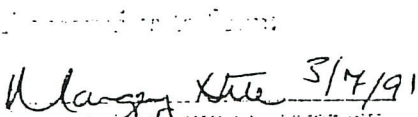

FILE COPY  
DUPLICATE

The County of Snohomish (project sponsor), as the recipient of funding assistance as specified in IAC project agreement # 99-1705A title Paradise Valley does hereby give assurance that it does not know and has no reason to know that any hazardous substance, the release or threatened release of which has resulted in or contributed to the need for remedial action, was released or disposed of, in or at the property or properties that are included in the above-referenced project agreement as shown on the attached report. The project sponsor further warrants that it has undertaken all appropriate inquiry into previous ownership and uses of the property consistent with good commercial and customary practice.
