RE: Seahorse Siesta Barge Removal Project in an Island County Watershed Plan

This letter is to confirm that the restoration project titled "Seahorse Siesta Barge Removal Project (16-1306)" is an approved project on the WRIA 6 Island Lead Entity Workplan list. The Lead Entity's policy decision making body has approved this workplan list and it is considered a part of the Lead Entity's Approved Salmon Recovery Plan. This plan meets the watershed restoration plan definition as defined in WAC 173-27-040(2)(o)(i & ii) and, hence, qualifies this project for a Shoreline Permit Exemption according to IC 17.05.060(B)14.

Sincerely,

Dawn Pucci
