Restoration Metrics	Walt, for the Channel Reconfiguration metric, what does the Off-Channel habitat (.06 miles) refer to? Also, the 4 pools in this section, are they being excavated/created during construction; if not please remove them. For the Channel Structure Placement metric those pools are what are expected to be formed naturally due to the structures, so maybe those should be
Overall Project Metrics	.Walt for reduced cost materials (e.g. stone, wood) be prepared to get a statement from the supplier showing the value of the material so that we can verify the donation value.
