COSTS

Page	Grant Manager Comment
Cost Summary	Thank you for decreasing your match reported in PRISM, as exceeding the match requirements will not change your project funding ranking. RCO can only reimburse based on our % share in the project.

ATTACHMENTS

Page	Grant Manager Comment
Attachments	We'll need this before we can issue a project agreement, so you might want to work on that while the application is making its way through the funding process: A signed Land Ownership Certification Form (Appendix O) for all properties upon which design or implementation and construction of restoration projects are proposed. The intent of this form is to ensure that the applicant reviewed property information and that no existing deed restrictions, liens, easements, or other encumbrances would impede construction, operation, or maintenance of the project. RCO will waive this requirement if the applicant has not identified the property affected by the design.

SUBMIT APPLICATION
