Questions

Acquisition and Restoration Projects

#1: If funding acknowledgement signs are required, are they installed?

Yes.

#2: Site Visit Summary

Inspection complete. The acquisition targeted a portion of the property owned by the Little Bit Riding Center with the Lower Bear Creek running through it. The County has initiated noxious weed treatment, and are preparing for a future floodplain reconnection and riparian restoration project in 2020. The property is located in a developed watershed, but offers important spawning and rearing habitat for salmonids.

#3: Are there any observable concerns regarding this project that should be noted? If yes, please describe:

No.

#4: Is this project being monitored by a statewide, IMW, or other effectiveness monitoring program? If yes, please describe:

No.
