A photograph of a fenced-in forest area. In the foreground, a chain-link fence runs across the frame. A brown sign with white text is attached to the fence. The sign reads "VEGETATION RECOVERY AREA" in large letters, "NO PUBLIC ACCESS" in even larger letters, and "ISLAND COUNTY PARKS" in smaller letters at the bottom. The background is a dense forest with many green trees and bushes, suggesting a natural, undeveloped area.

PET WASTE BAGS

PINCH-N-PULL

THERE IS NO POOP FAIRY.

Please clean up after your dog

Dog waste does not biodegrade like wild animal waste. It sticks around for a long time. Meanwhile, it contains harmful bacteria, pollutes ground water and smells disgusting on the bottom of a shoe. Please help keep parks, trails and neighborhoods clear of poop piles by picking up your dog's waste.
