Sponsor Comments:

This project conducted in concert with Klickitat Mill Restoration Project/Grant No. 00-1208. That portion of the total fish passage restoration project to be conducted under Project/Grant No. 99-1623 is completed.

Additional work is being performed this construction season to fully restore fish passage.

I hereby certify that this project has been completed in accordance with the Project Agreement. Further, I certify the completed project is consistent with both the scope of the project approved (as amended) by the Interagency Committee for Outdoor Recreation (IAC) or Salmon Recovery Funding Board (SRFB) and with the project application.
