PARTIES OF THE AGREEMENT

This Recreation and Conservation Office Grant Agreement (Agreement) is entered into between the State of Washington by and through the Salmon Recovery Funding Board (SRFB or funding board) and the Recreation and Conservation Office (RCO), P.O. Box 40917, Olympia, Washington 98504-0917 and Skagit Fisheries Enhancement Group (Sponsor, and primary Sponsor), PO Box 2497, Mount Vernon, WA 98273, and shall be binding on the agents and all persons acting by or through the parties.

The Sponsor's Unique Entity ID (UEID) Number is 006662589.

All Sponsors are equally and independently subject to all the conditions of this Agreement except those conditions that expressly apply only to the primary Sponsor.

Prior to and during the Period of Performance, per the Applicant Resolution/Authorizations submitted by all Sponsors (and on file with the RCO), the identified Authorized Representative(s)/Agent(s) have full authority to legally bind the Sponsor(s) regarding all matters related to the project identified above, including but not limited to, full authority to: (1) sign a grant application for grant assistance, (2) enter into this Agreement on behalf of the Sponsor(s), including indemnification, as provided therein, (3) enter any amendments thereto on behalf of Sponsor(s), and (4) make any decisions and submissions required with respect to the project. Agreements and amendments must be signed by the Authorized Representative/Agent(s) of all Sponsors, unless otherwise allowed in the AMENDMENTS TO AGREEMENT Section.

- A. During the Period of Performance, in order for a Sponsor to change its Authorized Representative/Agent as identified on the original signed Applicant Resolution/Authorization the Sponsor must provide the RCO a new Applicant Resolution/Authorization signed by its governing body or a written delegation of authority to sign in lieu of originally authorized Representative/Agency(s). Unless a new Applicant Resolution/Authorization has been provided, the RCO shall proceed on the basis that the person who is listed as the Authorized Representative in the last Resolution/Authorization that RCO has received is the person with authority to bind the Sponsor to the Agreement (including any amendments thereto) and decisions related to implementation of the Agreement.
- B. Amendments After the Period of Performance. RCO reserves the right to request and Sponsor has the obligation to provide, authorizations and documents that demonstrate any signatory to an amendment has the authority to legally bind the Sponsor as described in the above Sections.

For the purposes of this Agreement, as well as for grant management purposes with RCO, only the primary Sponsor may act as a fiscal agent to obtain reimbursements (See PROJECT REIMBURSEMENTS Section).

PURPOSE OF AGREEMENT

This Agreement sets out the terms and conditions by which a grant is made from the General Fund - Federal of the State of Washington. The grant is administered by the Recreation and Conservation Office (RCO).

DESCRIPTION OF PROJECT

Skagit Fisheries Enhancement Group and Island County Public Works are working to replace two fish barrier culverts, culvert 1893 and 1894, under Race Road near Coupeville, WA and a private crossing immediately downstream of Culvert #1894. Removal of these fish passage barriers will open up critical rearing habitat for juvenile salmonids including ESA-listed Threatened Chinook as well as pink, Coho, and chum salmon. These two coastal streams drain to Race Lagoon which has been identified as important pocket estuary habitat for outmigrating salmon from the Skagit, Stillaguamish, and Snohomish Rivers. Pocket estuaries and small coastal streams such as these provide important feeding, resting, and and refuge habitat as juvenile salmon transition from freshwater to saltwater habitat. These culverts were identified during the Culvert Prioritization Inventory conducted by SFEG and Island County during which time a Chinook smolt was found in the stream above culvert #1893. In addition, SFEG has been working with local landowners who are open to additional wetland and riparian restoration upstream of these culverts as a future project. This grant would fund the design of two fish passable structures at culverts 1893 and 1894, and the design of a small bridge crossing and channel meander immediately downstream of culvert 1894 to enhance fish passage. Fish passage barrier removal is one of the most rapid and cost-effective ways of increasing the amount of accessible habitat for salmon.

PERIOD OF PERFORMANCE

The period of performance begins on September 22, 2022 (project start date) and ends on March 22, 2024 (project end date). No allowable cost incurred before or after this period is eligible for reimbursement unless specifically provided for by written amendment or addendum to this Agreement, or specifically provided for by applicable RCWs, WACs, and any applicable RCO

manuals as of the effective date of this Agreement.

The RCO reserves the right to summarily dismiss any request to amend this Agreement if not made at least 60 days before the project end date.

Unless otherwise expressly stated in an amendment, any amendment to this Agreement shall be deemed to include all current federal, state, and local government laws and rules, and policies applicable and active and published in the applicable RCO manuals or on the RCO website in effect as of the effective date of the amendment, without limitation to the subject matter of the amendment. Provided, any update in law, rule, policy or a manual that is incorporated as a result of an amendment shall apply only prospectively and shall not require that an act previously done in compliance with existing requirements be redone. However, any such amendment, unless expressly stated, shall not extend or reduce the long-term obligation term.

COMPLIANCE WITH APPLICABLE STATUTES, RULES, AND POLICIES

This Agreement is governed by, and the sponsor shall comply with, all applicable state and federal laws and regulations, applicable RCO manuals as identified below, Exhibits, and any applicable federal program and accounting rules effective as of the date of this Agreement or as of the effective date of an amendment, unless otherwise provided in the amendment. For the purpose of this Agreement, WAC Title 420, SRFB policies shall apply as terms of this Agreement.

For the purpose of this Agreement, the following RCO manuals are deemed applicable and shall apply as terms of this Agreement:

- Reimbursements - Manual 8
- Salmon Recovery Grants - Manual 18

SPECIAL CONDITIONS

Special Condition #1: Cultural Resources-Survey Required. This agreement requires compliance with Executive Order 21-02. RCO has completed the initial consultation for this project and a cultural resources survey is required. The Sponsor must submit the results of the cultural resources survey to RCO and receive a notice of cultural resources completion. Ground disturbance started without approval will be considered a breach of contract. If archaeological or historic materials are discovered while conducting ground disturbing activities, work in the immediate vicinity must stop and the Sponsor must ensure compliance with the provisions found in this agreement. All cultural resources work must meet reporting guidelines outlined by the Department of Archaeology and Historic Preservation.

The WRIA 06 Multispecies Salmon Recovery Plan Update identifies Race Lagoon as important outmigration rearing habitat for juvenile salmon including Chinook, chum, pink, salmon and cutthroat trout. Access to the coastal stream habitat at the mouth of pocket estuaries is critical for resting, feeding, and refuge for migrating salmon (WRIA 06 MSSRP 2019;pages 16-17) Race Lagoon is identified in the Skagit Watershed Council Strategic Approach as a Tier 2 potential pocket estuary in the Whidbey Basin (page 16). Removing barriers to benefit anadromous fish use is designated a Tier 1 strategy (WRIA 06 MSSRP, page 21). The Skagit Recovery Plan (2005) also prioritizes a landscape scale restoration strategy for pocket estuaries including "restoration of lost or degraded freshwater inputs (quantity and quality) to pocket estuaries," and "removing impediments to fluvial and coastal sediment transport processes." (Appendix D, page 39) Recent research by Beamer et al (2013) supports restoration of fish access to small nearshore streams for juvenile Chinook salmon rearing and growing.

When a project has more than one Sponsor, any and all Sponsors are equally responsible for the project and all post-completion stewardship responsibilities and long-term obligations unless otherwise stated in this Agreement.

The RCO, its employees, assigns, consultants and contractors, and members of any funding board or advisory committee or other RCO grant review individual or body, have no responsibility for reviewing, approving, overseeing or supervising design, construction, or safety of the project and leaves such review, approval, oversight and supervision exclusively to the Sponsor and others with expertise or authority. In this respect, the RCO, its employees, assigns, consultants and contractors, and any funding board or advisory committee or other RCO grant review individual or body will act only to confirm at a general, lay person, and nontechnical level, solely for the purpose of project eligibility and payment and not for safety or suitability, that the project apparently is proceeding or has been completed as per the Agreement.

INDEMNIFICATION

The Sponsor shall defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the actual or alleged acts, errors, omissions or negligence in connection with this Agreement (including without limitation all work or activities thereunder), or the breach of any obligation under this Agreement by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors, or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

Provided that nothing herein shall require a Sponsor to defend or indemnify the State against and hold harmless the State from claims, demands or suits based solely upon the negligence of the State, its employees and/or agents for whom the State is vicariously liable.

Provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the Sponsor or the Sponsor's agents or employees, and (b) the State, or its employees or agents the indemnity obligation shall be valid and enforceable only to the extent of the Sponsor's negligence or its agents, or employees.

As part of its obligations provided above, the Sponsor specifically assumes potential liability for actions brought by the Sponsor's own employees or its agents against the State and, solely for the purpose of this indemnification and defense, the Sponsor specifically waives any immunity under the state industrial insurance law, RCW Title 51. Sponsor's waiver of immunity under this provision extends only to claims against Sponsor by Indemnitee RCO, and does not include, or extend to, any claims by Sponsor's employees directly against Sponsor.

Sponsor shall ensure that any agreement relating to this project involving any contractors, subcontractors and/or vendors of any tier shall require that the contracting entity indemnify, defend, waive RCW 51 immunity, and otherwise protect the State as provided herein as if it were the Sponsor. This shall not apply to a contractor or subcontractor is solely donating its services to the project without compensation or other substantial consideration.

The Sponsor shall also defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable, in performance of the work under this Agreement or arising out of any use in connection with the Agreement of methods, processes, designs, information or other items furnished or communicated to the State, its agents, officers and employees pursuant to the Agreement. Provided, this indemnity shall not apply to any alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from the State's, its agents', officers' and employees' failure to comply with specific written instructions regarding use provided to the State, its agents, officers and employees by the Sponsor, its agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

INDEPENDENT CAPACITY OF THE SPONSOR

The Sponsor and its employees or agents performing under this Agreement are not officers, employees or agents of the RCO or Funding Entity. The Sponsor will not hold itself out as nor claim to be an officer, employee or agent of the RCO or the Funding Entity, or of the state of Washington, nor will the Sponsor make any claim of right, privilege or benefit which would accrue to an employee under RCW 41.06.

The Sponsor is responsible for withholding and/or paying employment taxes, insurance, or deductions of any kind required by federal, state, and/or local laws.

Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375,

Amending Executive Order 11246 Relating to Equal Employment Opportunity, and implementing regulations at 41 C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor). See 2 C.F.R. Part 200 (as updated).

- 1) **Federally Assisted Construction Contract.** The regulation at 41 C.F.R. § 60-1.3 defines a “federally assisted construction contract” as any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, or any application or modification thereof approved by the Government for a grant, contract, loan, insurance, or guarantee under which the applicant itself participates in the construction work.
- 2) **Construction Work.** The regulation at 41 C.F.R. § 60-1.3 defines “construction work” as the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.

- E. **Davis-Bacon Act, as amended (40 U.S.C. 3141-3148).** When required by federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-federal entities (Sponsors) must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”).

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity (Sponsor) must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity (Sponsor) must report all suspected or reported violations to the federal awarding agency identified in the Federal Fund Information Section.

The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U. S. C. 3145), as supplemented by Department of Labor regulations (29 C.F.R Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient (Sponsor) must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity (Sponsor) must report all suspected or reported violations to the Federal awarding agency identified in Section H: Federal Fund Information.

- F. **Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708).** Where applicable, all contracts awarded by the non-federal entity (Sponsor) in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- G. **Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of “funding agreement” under 37 C.F.R § 401.2(a) and the recipient or subrecipient (Sponsor) wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient (Sponsor) must comply with the requirements of 37 C.F.R Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.
- H. **Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as Amended.** Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency identified in Section H: Federal Fund Information and the Regional Office of the Environmental Protection Agency (EPA).
- I. **Byrd Anti-Lobbying Amendment (31 U.S.C. 1352).** By signing this Agreement, the Sponsor certifies (per the certification requirements of 31 U.S.C.) that none of the funds that the Sponsor has (directly or indirectly) received or will receive for this project from the United States or any agency thereof, have been used or shall be used to engage

in the lobbying of the Federal Government or in litigation against the United States. Such lobbying includes any influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this project. Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award.

- J. **Procurement of Recovered Materials.** A non-federal entity (Sponsor) that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
- K. **Required Insurance.** The non-federal entity (Sponsor) must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved with federal funds as provided to property owned by the non-federal entity. Federally-owned property need not be insured unless required by the terms and conditions of the Federal award (2 C.F.R § 200.310 (2013)).
- L. **Debarment and Suspension (Executive Orders 12549 and 12689).** The Sponsor must not award a contract to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the Office of Management and Budget (OMB) guidelines at 2 C.F.R § 180 that implement Executive Orders 12549 (3 C.F.R part 1986 Comp., p. 189) and 12689 (3 C.F.R part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
- M. **Conflict of Interest.** Sponsor agrees to abide by the conflict of interest policy and requirements of the federal funding agency established pursuant to 2 C.F.R 200.

PROVISIONS FOR SALMON RECOVERY FUNDING BOARD PROJECTS

For habitat restoration projects funded in part or whole with federal funds administered by the SRFB the Sponsor shall not commence with clearing of riparian trees or in-water work unless either the Sponsor has complied with 50 C.F.R. § 223.203 (b)(8) (2000), limit 8 or until an Endangered Species Act consultation is finalized in writing by the National Oceanic and Atmospheric Administration. Violation of this requirement may be grounds for terminating this Agreement. This section shall not be the basis for any enforcement responsibility by RCO.

ORDER OF PRECEDENCE

This Agreement is entered into, pursuant to, and under the authority granted by applicable federal and state laws. The provisions of the Agreement shall be construed to conform to those laws. In the event of a direct and irreconcilable conflict between the terms of this Agreement and any applicable statute, rule, or policy or procedure, the conflict shall be resolved by giving precedence in the following order:

- A. Federal law and binding executive orders;
- B. Code of federal regulations;
- C. Terms and conditions of a grant award to the state from the federal government;
- D. Federal grant program policies and procedures adopted by a federal agency that are required to be applied by federal law;
- E. State Constitution, RCW, and WAC;
- F. Agreement Terms and Conditions and Applicable Manuals;
- G. Applicable deed restrictions, and/or governing documents.

LIMITATION OF AUTHORITY

Only RCO's Director or RCO's delegate authorized in writing (delegation to be made prior to action) shall have the authority to alter, amend, modify, or waive any clause or condition of this Agreement; provided that any such alteration, amendment, modification, or waiver of any clause or condition of this Agreement is not effective or binding unless made as a written amendment to this Agreement and signed by the RCO Director or delegate.

WAIVER OF DEFAULT

Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver or breach of any provision of the Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless stated to be such in writing, signed by the director, or the director's designee, and attached as an amendment to the original Agreement.

APPLICATION REPRESENTATIONS – MISREPRESENTATIONS OR INACCURACY OR BREACH

The Funding Entity (if different from RCO) and RCO rely on the Sponsor's application in making its determinations as to eligibility for, selection for, and scope of, funding grants. Any misrepresentation, error or inaccuracy in any part of the application may be deemed a breach of this Agreement.

SPECIFIC PERFORMANCE

RCO may, at its discretion, enforce this Agreement by the remedy of specific performance, which means Sponsors' completion of the project and/or its completion of long-term obligations as described in this Agreement. However, the remedy of specific performance shall not be the sole or exclusive remedy available to RCO. No remedy available to the RCO shall be deemed exclusive. The RCO may elect to exercise any, a combination of, or all of the remedies available to it under this Agreement, or under any provision of law, common law, or equity, including but not limited to seeking full or partial repayment of the grant amount paid and damages.

TERMINATION AND SUSPENSION

The RCO requires strict compliance by the Sponsor with all the terms of this Agreement including, but not limited to, the requirements of the applicable statutes, rules, and RCO policies, and with the representations of the Sponsor in its application for a grant as finally approved by RCO. For federal awards, notification of termination will comply with 2 C.F.R. § 200 (as updated).

A. For Cause.

- 1) The RCO director may suspend or terminate the obligation to provide funding to the Sponsor under this Agreement:
 - a) If the Sponsor breaches any of the Sponsor's obligations under this Agreement;
 - b) If the Sponsor fails to make progress satisfactory to the RCO director toward completion of the project by the completion date set out in this Agreement. Included in progress is adherence to milestones and other defined deadlines; or
 - c) If the primary and secondary Sponsor(s) cannot mutually agree on the process and actions needed to implement the project;
- 2) Prior to termination, the RCO shall notify the Sponsor in writing of the opportunity to cure. If corrective action is not taken within 30 days or such other time period that the director approves in writing, the Agreement may be terminated. In the event of termination, the Sponsor shall be liable for damages or other relief as authorized by law and/or this Agreement.
- 3) RCO reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Sponsor from incurring additional obligations of funds during the investigation of any alleged breach and pending corrective action by the Sponsor, or a decision by the RCO to terminate the Contract.

- B. For Convenience.** Except as otherwise provided in this Agreement, RCO may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Agreement, in whole or in part when it is in the best interest of the state. If this Agreement is so terminated, RCO shall be liable only for payment required under the terms of this Agreement prior to the effective date of termination. A claimed termination for cause shall be deemed to be a "Termination for Convenience" if it is determined that:

- 1) The Sponsor was not in default; or

- 2) Failure to perform was outside Sponsor's control, fault or negligence.

C. Rights and Remedies of the RCO.

- 1) The rights and remedies of RCO provided in this Agreement are not exclusive and are in addition to any other rights and remedies provided by law.
- 2) In the event this Agreement is terminated by the director, after any portion of the grant amount has been paid to the Sponsor under this Agreement due to Sponsor's breach of the Agreement or other violation of law, the director may require that any amount paid be repaid to RCO for redeposit into the account from which the funds were derived. However, any repayment shall be limited to the extent repayment would be inequitable and represent a manifest injustice in circumstances where the project will fulfill its fundamental purpose for substantially the entire period of performance and of long-term obligation.

D. Non Availability of Funds. The obligation of the RCO to make payments is contingent on the availability of state and federal funds through legislative appropriation and state allotment. If amounts sufficient to fund the grant made under this Agreement are not appropriated to RCO for expenditure for this Agreement in any biennial fiscal period, RCO shall not be obligated to pay any remaining unpaid portion of this grant unless and until the necessary action by the Legislature or the Office of Financial Management occurs. If RCO participation is suspended under this section for a continuous period of one year, RCO's obligation to provide any future funding under this Agreement shall terminate. Termination of the Agreement under this section is not subject to appeal by the Sponsor.

- 1) **Suspension:** The obligation of the RCO to manage contract terms and make payments is contingent upon the state appropriating state and federal funding each biennium. In the event the state is unable to appropriate such funds by the first day of each new biennium RCO reserves the right to suspend the Agreement, with ten (10) days written notice, until such time funds are appropriated. Suspension will mean all work related to the contract must cease until such time funds are obligated to RCO and the RCO provides notice to continue work.
- 2) **No Waiver.** The failure or neglect of RCO to require strict compliance with any term of this Agreement or to pursue a remedy provided by this Agreement or by law shall not act as or be construed as a waiver of any right to fully enforce all rights and obligations set forth in this Agreement and in applicable state or federal law and regulations.

DISPUTE HEARING

Except as may otherwise be provided in this Agreement, when a dispute arises between the Sponsor and the RCO, which cannot be resolved, either party may request a dispute hearing according to the process set out in this section. Either party's request for a dispute hearing must be in writing and clearly state:

- A. The disputed issues;
- B. The relative positions of the parties;
- C. The Sponsor's name, address, project title, and the assigned project number.

In order for this section to apply to the resolution of any specific dispute or disputes, the other party must agree in writing that the procedure under this section shall be used to resolve those specific issues. The dispute shall be heard by a panel of three persons consisting of one person chosen by the Sponsor, one person chosen by the director, and a third person chosen by the two persons initially appointed. If a third person cannot be agreed on, the persons chosen by the Sponsor and director shall be dismissed and an alternate person chosen by the Sponsor, and one by the director shall be appointed and they shall agree on a third person. This process shall be repeated until a three person panel is established.

Any hearing under this section shall be informal, with the specific processes to be determined by the disputes panel according to the nature and complexity of the issues involved. The process may be solely based on written material if the parties so agree. The disputes panel shall be governed by the provisions of this Agreement in deciding the disputes.

The parties shall be bound by the majority decision of the dispute panelists, unless the remedy directed by that panel is beyond the authority of either or both parties to perform, as necessary, or is otherwise unlawful.

Request for a disputes hearing under this section by either party shall be delivered or mailed to the other party. The request shall be delivered or mailed within thirty (30) days of the date the requesting party has received notice of the action or position of the other party which it wishes to dispute. The written agreement to use the process under this section for resolution of those issues shall be delivered or mailed by the receiving party to the requesting party within thirty (30) days of receipt by the receiving party of the request.

All costs associated with the implementation of this process shall be shared equally by the parties.

ATTORNEYS' FEES

In the event of litigation or other action brought to enforce contract terms, each party agrees to bear its own costs and attorneys' fees.

GOVERNING LAW/VENUE

This Agreement shall be construed and interpreted in accordance with the laws of the State of Washington. In the event of a lawsuit involving this Agreement, venue shall be in Thurston County Superior Court if legally proper; otherwise venue shall be in the Superior Court of a county where the project is situated, if venue there is legally proper, and if not, in a county where venue is legally proper. The Sponsor, by execution of this Agreement acknowledges the jurisdiction of the courts of the State of Washington and agrees to venue as set forth above.

SEVERABILITY

The provisions of this Agreement are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Agreement.

END OF STANDARD TERMS AND CONDITIONS

This is the end of the Standard Terms and Conditions of the Agreement.
