Questions

#1: Describe the work accomplished during this reporting period.

Match sampling started in February 2024, primarily have been dealing with project plan, and completing required paperwork to set up grant internally

#2: Are there any significant challenges that might hinder progress or keep you from meeting your project milestones? If so, please tell us about them.

No

#3: Tell us about work planned for the next reporting period.

We will begin gather supplies and refining methods for sediment tracking at Meadowdale beach park and work on hiring a consultant to assist with the data collection and analysis. We will also form the TAG.

#4: Do you anticipate you will need to request a modification to your project agreement in the next six months (time extension, cost change, scope change, etc.)? If yes, please explain:

No
