October 14, 2009

Jason Lundgren
RCO/Salmon Recovery Board

Dear Jason,

Please consider extending our contract for the Peshastin Irrigation District Pipeline, #07-1865R through December 31, 2010.

Attached is a progress report. The Chelan County Natural Resource Department has hired a consultant to complete a cultural resources survey and that process is still ongoing. We have awarded a contract to Mountain West Construction to begin construction in the Fall of 2009. In addition, CCNRD is still working through the process of coordinating with all the landowners.

Please contact me if you have any questions regarding this project. I'll be available by cell on Wednesday 10/14 and in the office on Friday 10/16.

Thanks,

Michael Kane
Natural Resource Specialist
