Sponsor Comments "Identify any changes from approved project scope":

As built set details two locations in which field changes were made. At the Seabee bridge additional armoring was required. Also under driveway culverts were changed to box type trench in order to facilitate construction under wastewater outfall pipe.

I hereby certify that this project has been completed in accordance with the project agreement. Further, I certify the completed project is consistent with both the scope of the project as approved or (as amended) by the Recreation and Conservation Office
